

AMENDMENTS TO THE DRAWINGS

Proposed new Fig. 4 is attached hereto, and is based on Fig. 1 as originally filed, but has valve 19 disposed within nozzle 2, as described on page 9, lines 15-21, as well as original claims 1, 5, 6, and 8, for example. Accordingly, no new matter has been entered.

Attachment: One (1) Replacement Drawing Sheet (including new Fig. 4)

FIG. 4
